

After Degree Nursing Program (ADNP) – Courses Required for Admission Check

Please complete this form and submit it to nursing.advising@uregina.ca.

Name: _____ U of R Student Number (if applicable): _____ Date: _____

Prior to submitting this form or any course outlines, you must have an active application to the ADNP for the upcoming intake. This includes payment of the application fee.

If you have completed one or more of the courses below at another institution please check the transfer credit database for possible equivalencies:

<https://www.uregina.ca/registrar/transfer-credit/transfer-credit-database.html>. **Courses in the database do not require submission of course outlines.**

If your courses are not listed in the transfer credit database, please submit your detailed course outlines along with this form. Course descriptions or booklets will not be accepted.

Please fill out the information below regarding the ADNP admission course requirements:
